

Tailored interior design *for every space*

LEI INTERIOR DESIGN · DUBAI

STUDIO PORTFOLIO 2026

OUR PHILOSOPHY

We create timeless interiors that combine elegance, functionality and individual style.

LEI Interior Design is an award-winning, full-service interior and architectural design studio based in Dubai, specializing in sophisticated residential and commercial spaces.

We bring visionary concepts to life through a seamless process that spans from planning to flawless execution, with exceptional craftsmanship, bespoke detailing and personalized service.

Luxury Lifestyle Awards

DUBAI'S TOP 50 HOMES

A WORD FROM OUR FOUNDER

"Architecture and interior design are about deep feelings. I believe in timeless architecture. An architecture inspired by love, harmony, and nature. We craft intelligent forms to serve an efficient purpose and work within the beauty of space to fill the eyes and the hearts of the viewers."

SARAH MONTI
CEO & FOUNDER

OUR EXPERTISE

From first sketch to the final key

01	Architecture	Architectural and spatial design for villas, residences and commercial spaces.
02	Interior design	Bespoke interiors, from concept and 3D visualization to the last detail.
03	Fit-out	On-site execution with full supervision of timeline, budget and quality.
04	Furnishing	Furniture, lighting and finishes, procured and installed with white-glove care.
05	Turnkey solutions	From vision to completion, handed over ready to live in.

PROJECT 01

The Palm Light — Mina Azizi

PALM JUMEIRAH
APARTMENT · 120 M²

A beachfront apartment on Palm Jumeirah, awarded Best Luxury Apartment Interior Design by the Luxury Lifestyle Awards.

PROJECT 02

Golf Grove Villa

DUBAI HILLS ESTATE
VILLA · RENOVATION AND EXTENSION

A full renovation and extension of a Golf Grove townhouse, named among Dubai's 50 Top Homes by Better Homes.

PROJECT 03

Anantara Residences

PALM JUMEIRAH
PENTHOUSE

A penthouse redesigned from the ground up, with fluted marble, warm wood, Minotti furniture and Antolini marbles.

PROJECT 04

Hattan Villa

ARABIAN RANCHES
VILLA · 568 M²

A contemporary luxury villa with a double-height foyer, natural stone, warm timber and backlit onyx panels.

PROJECT 05

Neoclassical Golf Villa

ARABIAN RANCHES
VILLA · 485 M²

Classic architecture for contemporary living, with Calacatta marble, panelling and artisan lighting.

PROJECT 06

Da Vinci Restaurant

DUBAI
HOSPITALITY · 900 M²

A contemporary take on Art Deco: navy, crimson and gold, patterned marble and a fluted red bar.
